

## **Privacy Notification**

We gather personal information in a secure database known as the Homeless Management Information System (HMIS). This is done in accordance with the purposes outlined in our privacy policy. Some details are collected because they are required by agencies that help fund our programs. Other information helps us operate effectively, enhance the quality of our services, and gain a better understanding of the people we serve. To provide or coordinate housing, referrals, case management, or related services, limited client information may be shared with partner organizations. These organizations are also required to follow strict privacy guidelines to protect your data.

## **Privacy Statement**

We are committed to maintaining the privacy of everyone we serve. The personal details you provide through HMIS are used solely to deliver services and to stay in contact with you during the support process. Magnificat Houses, Inc. uses HMIS to organize and manage this information and does not sell, trade, or disclose your personal information for any other purpose.
